[Lion statue growls and starts to chase Judy]

Judy: AHH IT'S A LION

[Lion chases Judy through the town and onto a lifeboat that goes into the Mediterranean Sea]

Judy: I think I'll be safe on this lifeboat.

[Lion jumps onto the lifeboat and growls at Judy]

[Judy pulls a slice of ham out of her pocket and feeds it to the lion]

Judy: I'll give you more if you don't kill me, okay Lion

{thirty names later}

Judy: Oh, I got a great name, Simba.

Lion: [Growls]

{The Courtroom}

Charles Billybob: I saw the Wizard of Mudd with my own eyes, he looks exactly like the one in the book, he also killed those three people. That was not me.

Mayor: The weapons used to kill the victims all had Billybob's fingerprints on them, doesn't that prove it was you and not me.

WOM: I am also not the Wizard of Mudd my name is WOM, it stand for my initials.

Charles Billybob: Which are?

WOM: William O' Bobby

Charles Billybob: W-O-M clearly stands for Wizard of Mudd, not William O' Bobby

WOM: I think I know what my name is

Judge: Order in the court

WOM: Okay

Judge: I rule that Charles Billybob is guilty of all charges and will spend 45 years in prison.

{News Station}
